

THE ESTATE

Welcome to Deene Park Estate – we are delighted you've found us!

Situated in the picturesque Northamptonshire countryside and home to the Brudenell family since 1514, Deene Park offers three exclusive outdoor venues tailored to your unique vision for your dream day.

Whether you envisage a charming stately home marquee wedding or an enchanting woodland tipi celebration, the Estate provides complete flexibility in planning your special day, with our events team ready to assist you every step of the way.

FAQ's

Are there wet weather provisions for ceremony!

In the Walled Garden & Dibbins Wood we are fortunate enough have a seperate open marquee that can be erected in the days leading up to the date, by arranged hire only.

Can we bring our dog for the ceremony!

Absolutely! We understand that four legged friends are a part of your family which means at both the Walled Garden & Dibbins Wood we allow dogs to join for ceremony & drinks reception. Please ask for our recommended dog chaperones.

Can we bring our own caterers!

We have done our research to recommend the best catering teams in the surrounding area, however we can appreciate you might have your heart set on a particular team! Introduce us and let us take it from there.

Can we provide our own alcohol!

Only if you have agreed with your chosen catering/bar supplier who can chill, serve and manage the waste. We want you to enjoy your day without having to worry about the service details.

Do you allow fireworks!

Unfortunately not, as a duty of care to the livestock around the estate we do not allow any fireworks. We would recommend either sparklers or colourful smoke cannons for incredible photo opportunities!

Is there accommodation on site!

Whilst we do not have accomodation on site, we work with the local hotels to provide the best rates and comfortable stays for all guests attending weddings at the estate. If you would like a camping option at Dibbins Wood this can be arranged by discussion.

Can we leave our vechiles overnight!

Of course, we wouldn't expect anyone to have to drive at the end of the night. Cars can be collected the following morning. However you will be given a time slot in which all cars must be collected or there will be no access until office hours on Monday.

Who will guide us through the day!

Our expert event managers will be present to ensure the smooth running and support throughout your day. From transferring ceremony florals to the wedding breakfast, holding umbrellas, fluffing the dress and gathering guests! Anything you need Team Deene are on hand.

Can we host an event in the main house!

As the house is privately owned, we do not host any weddings or events within the home. Deene Park is an an outdoor marquee venue only.
